Summer Camp Staffing Policy

Mayor Kinsey discussed the hiring procedures and policies including the pay grid put into place three (3) years ago. All hiring for staff positions will be done by Maria Dellasala, Township Administrator. Staffing requirements fluctuate by camper enrollment. The camp employs college students, certified teachers & college graduates.

Basketball

K/Simels shared with the Commission the need for coaches at all division levels and the lack of volunteers. In particular, the need for coaches at the 1st/2nd grade level are being sought. This impacts the team size and reduces playing time for players. The Township will begin interleague play with the 3rd/4th & 5th/6th Girls divisions with Allentown/Upper Freehold & East Windsor this season. The girls division lacks enrollment numbers which is a trend neighboring town are also experiencing, interleague play will enhance the playing experience by expanding the opponents. Meeting for coaches for team selections and trades will be held the first week of November. Practices are scheduled to begin the week of November 10th. Interleague games held offsite will be limited to Allentown and will expand to East Windsor next season. Applications for Junior Board positions closed November 1st, a meeting for members will be held prior to opening day. Junior Board members are paid as time and score keepers during the games.

Holiday Lighting

B/Hanson informed the commission Holiday Lighting Festivities will be held December 6th from 6-8pm. The Fire House is secured for the event with the Middle School Chorus will be performing. In preparation of the lighting the spruce tree will be trimmed and lights will be installed. Refreshments will be served and crafts will be offered to the guests.
